Low Income Home Energy Assistance Program, HHS, Administration For Children and Families

Provides one-time utility payment to help low income households make home heating more affordable, avoid disconnection of utility services during the winter, and maintain a warm, safe, and healthy environment for households with young children, the elderly, and the disabled. Assistance is based on income.

Available November 1st June 27th (depending on funding availability). Crisis Funding may be available outside of this time period.

Women, Infants, and Children (WIC)
